2. Author Declaration

☐ I/We confirm that the submitted manuscript is original and has not been published previously, in whole or in substantial part.

☐ I/We confirm that the manuscript is not simultaneously under consideration by another journal or publisher.

☐ I/We confirm that all sources, ideas, data, figures, tables, photographs, instruments, and other third-party materials have been appropriately acknowledged and, where required, permission has been obtained.

☐ I/We confirm that the manuscript does not knowingly infringe the copyright, intellectual property, privacy, or other legal rights of any person or organization.

☐ I/We accept responsibility for the accuracy and originality of the manuscript and for obtaining permissions for copyrighted material included in it.

☐ I/We agree to disclose any conflicts of interest and any substantive use of generative AI or other AI-assisted tools in accordance with the journal's publication policies.

3. Copyright and Publication Permission

Upon acceptance of the manuscript, I/We grant QIS Journal: Quality, Innovation & Sustainability the non-exclusive right and permission to publish, reproduce, distribute, archive, index, and make the accepted article available in print and/or electronic form for scholarly and academic dissemination, subject to the journal's applicable publication terms.

The author(s) retain ownership of the copyright in the work, except for any rights expressly transferred or licensed under a separate agreement. Author(s) may reuse their work in accordance with the journal's stated copyright and publication conditions, with appropriate acknowledgement of the original publication.

4. Third-Party Material

Where the manuscript contains material owned by third parties, the author(s) confirm that appropriate permission has been obtained where required and that the relevant source and copyright holder have been acknowledged.

5. Final Confirmation

I/We have read and understood this Copyright & Publication Agreement and confirm that the information provided is accurate. I/We agree to comply with the journal's publication ethics, copyright, peer-review, and editorial policies.
